

Our Finish Is Just The Beginning...

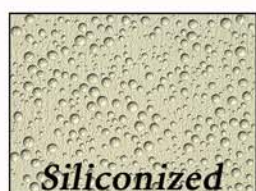

Journeyman Finish Coat

Get started using Journeyman Finish Coat and you'll see impressive results both on the wall and in your wallet.

Journeyman Finish Coat is mold and mildew resistant, siliconized and 100% acrylic. That adds up to one quality coating.

- Exceptional coverage
- Excellent workability
- Easy to spread
- Easy to float
- Works great over EIFS Base Coats & Hard Coat Stucco
